

Product Compatibility List

The product compatibility list shows the compatible Android and iOS devices of **Mini2 V2/Mini2Plus V2**. This list will be constantly updated as the products upgrade. The information contained in this document is subject to change, without notice, due to firmware updates or other reasons.

If your mobile device is not compatible with our product, or if you have any question about the product compatibility, please contact us at ✉ **support@hikmicrotech.com** and send the relevant information, such as brands, models, and system versions.

Download HIKMICRO Viewer

For the mobile devices of
iOS 15.5 and later

For the mobile devices of
Android 7.0 and later
(except for Android 10.0)

For the mobile devices of
Android 10.0

Note: If your mobile device is Android 10.0, please try to install the specific Android package (APK) for Android 10.0. You may see a notification blocking the process if you have installed the App from Google Play™. Then please uninstall the current version first and install the specific APK for Android 10.0.
